

Bonus Time

Bonus Time is our most popular ownership benefit. Bonus time becomes available when an owner fails to use their regular reservation. On Mondays, we load all of those “no shows” into available inventory. Bonus Time is often available Monday through Thursday. Current Bonus Time nightly rates are \$45 for a Studio, \$60 for a 1 Bedroom, and \$75 for a 2 Bedroom unit. This program is available only to deeded owners and cannot be used by friends or family members, not named on your deed.

You can make reservations up to 21 days in advance. Keep in mind Bonus Time comes from last minute cancellations and may require that you be placed on a waitlist until availability opens.

Turf Time

Turf Time is a program we designed to allow for owners to stay at our resort at incredibly low rates, even when strict Bonus Time inventory isn't available, such as weekends. Current Turf Time nightly rates are \$109 for a studio, \$119 for a 1 Bedroom, and \$149 for a 2 Bedroom. Turf Time can be reserved one-month in advanced.

Vacation Tyme

Vacation Tyme is a program offered by our management company, [Vacation Resorts International](#) (VRI). This program is for individuals and families who own at other VRI managed resorts, such as [Gaslamp Plaza Suites](#) or [San Clemente Inn](#). Those owners can stay at Winners Circle at the discounted nightly rates of \$54 for a studio, \$72 for a 1 Bedroom, and \$90 for a 2 Bedroom. These rooms come from the same strict inventory as Bonus Time. Winners Circle Resort owners are also entitled to vacation time at other VRI resorts. Simply call the resort of your choice and ask about their Vacation Tyme availability. Keep in mind every resort has their own booking window and pricing.

Please remember that all of these exclusive rates come from very limited inventory. It is the easiest to get a Bonus Time reservation Monday through Thursday. It is much more difficult to come in on bonus time on weekends. With all these great programs in place, we hope to see more of our owners more often at Winners Circle Resort.
