

## **Bonus Time**

Bonus Time is our most popular ownership benefit. It becomes available when an owner fails to use their regular reservation. On Mondays, we load all those “no-shows” into available inventory. Bonus Time is often available Monday through Thursday. Current Bonus Time nightly rates are \$45 for a Studio, \$60 for a one-bedroom, and \$75 for a two-bedroom unit. This program is available only to deeded owners and cannot be used by friends or family members not named on your deed.

To be added to the waitlist, you may call the front desk 21 days before the requested date. Remember that Bonus Time typically comes from last-minute cancellations and may require you to be placed on a waitlist until availability opens.

## **Turf Time**

Turf Time is a Front Desk program designed to allow owners to stay at our resort at incredibly low rates, even when strict Bonus Time inventory isn't available, such as on weekends. Off-season Turf Time nightly rates start at \$150 for a studio, \$165 for a 1-bedroom, and \$200 for a 2-bedroom. Summer Turf Time rates fluctuate based on availability and the day of the week.

You may call for Turf Time reservations on the first of every month and then make reservations for the current and upcoming months only. Turf Time inventory comes from delinquent accounts. Blackout dates apply.

Please remember that all of these exclusive rates come from minimal inventory. It is the easiest to get a Bonus Time reservation Monday through Thursday. It is much more challenging to come in on bonus time on weekends. With all these great programs in place, we hope to see more of our owners more often at Winners Circle Resort.
